Greetings

Wow 2025!, I hope everyone had a Merry Christmas and a Fabulous New Year. We had a really busy December with lots of music and fun to be had, including celebrating one of our residents 100th birthday.

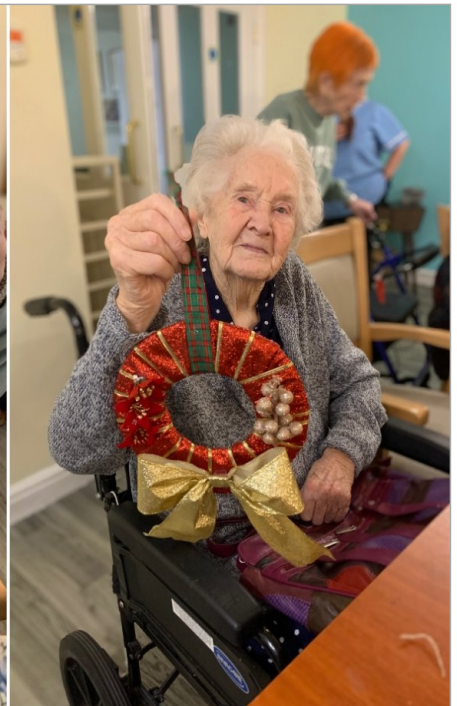

Our Christmas party was a huge success with our residents being supported by their families and we welcomed the New Year in with songs from our very own Westend singer David Brewis.

Christmas Decorations

We started the month by making wreaths for the residents doors, those that attended really enjoyed this arts and crafts session and were over the moon with the results. I have to agree, they all looked wonderful and very professional!

100th Birthday

We celebrated with Kathleen and her family, what an amazing feat to reach 100! Kathleen showed off her card from His Majesty the King. Everyone enjoyed a fabulous afternoon tea. All the food, cakes and cake decorations are all made in house from our wonderful talented team.

Therapy Animals

We absolutely love animals coming to visit our home, we welcome Jessie the little pooch at least twice a month and we also have a mixture of furry animals and reptiles from Animal Antics every six weeks. The joy on our residents faces when they hold an animal is priceless , we had both visit in December.

Music

We've had lots of lovely music and singer this month, from Misspent Ukes, Elvis, Carol singers, Fine Vintage and some wonderful acts for our Christmas party.

Everyone loves a good old sing-a-long and the memories the music evokes.

Jean enjoyed having her picture taken with Elvis and Ethel is having a ball listening to Elvis and has not stopped speaking about it since!
We enjoyed the Christmas Carols, getting us all in the Christmas spirit x

We welcomed Fine Vintage singing their Christmas set, some fabulous singing from our Margaret, she knew all the words.

Memorial Service

We had our annual memorial service, a time of reflection and to remember those we have lost over the year .

Christmas Party

We had an amazing time at the Christmas party, we were joined by Steven Swales, singing all the golden oldies followed by Sam singing all a woman classics, followed by a buffet tea for some fabulous tea and cakes, again all decorations and food made in house by our talented staff members.

Elf Breakfast

Christmas Eve was our early morning Elf Breakfast, this is a time for the residents little ones to join them for breakfast, a little fun and also to do some activities - it was a great success and everyone had a great time. Afterwards our residents made Christingles for their rooms.

Everyone enjoyed waffles and pancakes with chocolate, white chocolate, fruit and cream
