Greetings

Welcome to January's new letter. It has been a fairly quiet month, getting over the manic of Christmas and New Year, however we are in full swing and ready for the year ahead.

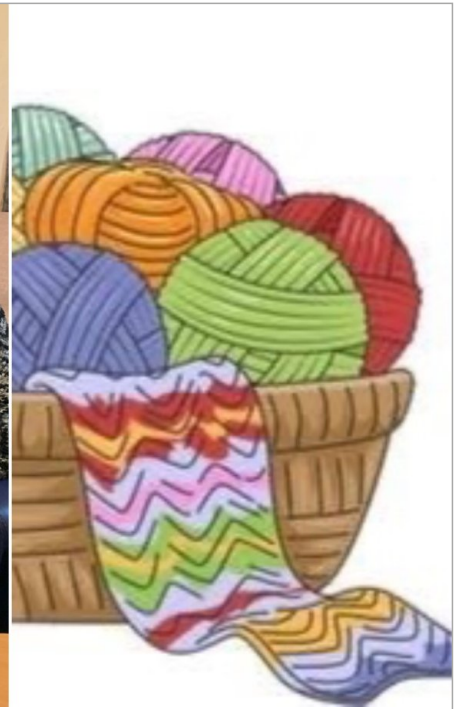

Singer

We started January with a new singer Tony De Sousa, singing all eras including show tunes. Tony went down a storm and we will be having him back throughout the year.

Jean absolutely loved him, and he started singing songs from Les Mis, she got really emotional.

Knit and Natter

These weekly sessions are very popular, it's not just about the knitting but getting together and having a chat in an inclusive environment, The TV is also on in the background, we have finished Strictly, the residents chose reruns of Downton Abbey. It's just like being at home and there is always cake and a cuppa!

Elvis

Elvis is also another popular act, and as we celebrated what would have been his 90th birthday this month, we could not go the month without a visit.

Burns Lunch

We celebrated Burns by inviting the Mayer of Alwick to address the Haggis. We had a wonderful 3 course lunch which our residents enjoyed.

Some more pictures of our Burns lunch. That morning we celebrated by watching some Highland Dancing, listening to some Robbie Burns poems and Scottish music.

Chinese New Year

We celebrated Chinese New Year in our arts and craft session this month. It was the year of the snake, some chose to colour pictures and others wanted to make some lanterns. A good job all round. The display in the dining room looked amazing.

our Chinese New Year display.

The Puppets

We ended the month with our Puppet show, it was a mixture of Scottish/Elvis and good old oldies. Everyone was singing along and tapping their toes.

Everyone loves a cuddle with the puppets after the show!

We are happy to welcome you...
