

Newsletter of Summerhill Care Home

- Edition of Jun 20, 2025 -

Greetings

Welcome to Junes news letter. We have enjoyed Pride month with lots of singers giving us joy. The weather has been glorious and the flowers are in bloom. Its been another busy months, we have carnival games, The Little Movers, Arts and Crafts sessions and plenty of singing. We have celebrated all the men for Fathers day. We have had lots of fun in the Sun.

July is also looking to be a busy month with our first trips out and if all goes well, I look to booking a lot more, let's hope the weather is good to us! We have plenty more singers and we welcome LK Pony in for a visit which a firm favourite.

We will have our firm favourites as well which includes bingo, arts and crafts, knit and natter and lots more.

The Zimmers Rest

We've made the most of our pub this month, Shirley and Marion have met up for a chat a wee drink and we have also enjoyed playing Domino's some afternoon. our residents families have also enjoyed sharing The Zimmers Rest with their loved ones, enjoying lunch and time spent.

The Zimmers Rest

The ladies enjoying Domino's, even Lily has enjoyed spending time in the Zimmers Rest x

Arts and Crafts

Our residents enjoy the arts and crafts sessions, it's good for the social aspect and hand eye coordination. We were doing sponge painting and the residents enjoy showing them to family and displaying their finish work in their rooms

Jackie, Michael and Linda showing of their pieces of art

Armchair travel

We enjoyed a morning of armchair travel to Italy, it was interactive, showing clips of all the historic sites and holiday destinations. We then enjoyed some Italian nibbles with some limoncello and lemonade shots.....where to next ?

Little Movers

These are becoming regular sessions here at Summerhill and our residents absolutely love having the little ones here, it's a really upbeat interactive morning. The residents are moving their bodies without realising they are exercising, all good for their mobility and smiles and laughter all round x

More great pictures with The Little Movers x

Another way of exercise, we had a morning of carnival games. I'm always surprised at how competitive they are when it comes to scoring games :-)
Again, great for hand eye coordination and a sense of accomplishment and being together

Sweet Trolley

I have introduced a weekly sweet trolley, this means that I get to visit every room and also have a little chat with all the residents, they do enjoy a sweetie and it reminds them of days gone by when they used to go to the shop and choose their penny sweets

Fathers Day

We celebrated Father's Day in style with a fabulous singer and some amazing food made by our wonderful cook Ruth. Both the men and the ladies had a wonderful day x

Fathers day

Some more pictures from our Fathers Day celebrations x

80's fun

We enjoyed the Sun at every opportunity and we had such fun on this particular morning with everything 80's!

Singers

Again we have had a wonderful month of singers, all genres from the swinging 60's, 70's, Rat Pack and the wonderful Robert Whitehead playing his accordion.

Flowers

Our flowers are in full bloom here at Summerhill, they give a magnificent welcome coming up the drive!
