Greetings

Welcome to July's news letter. Hope you have been enjoying the beautiful weather as much as we have here at Summerhill, the flowers are now in full bloom and looking wonderful!

we have enjoyed our first trips out for a long time, some of our residents have enjoyed fish and chips in Amble and cake at the Running Fox. Next month I plan a pub lunch for the men, thinking maybe Craster?

We have also enjoyed the various singers inviting another new comer Derek Hodgson to our books who went down a storm.

Our residents were delighted to have KL Pony visit again with their miniature Pony, always a hit and we've also enjoyed visits from King of friendship dog.

Trip out

We had our first trips out!! Some of the residents went into Amble and had fish and chips by the harbour. They absolutely had a fantastic time..... I'm hoping there will be plenty more trips out in the future.

More great pictures from our trip out to Amble x

Sam Naylor

Our residents enjoyed a session from a regular Sam Naylor, Sam always puts on a different show when she attends to get the most out of everyone and she has some wonderful outfits.

Derek and Jean enjoying having their picture with Sam x

Friendship Dog

We have King come and visit every other week, he is a huge presents and certainly brightens up everyone's day. Not only do our residents love seeing King, they also enjoy chatting to his owner Di, always with lots of questions.

We welcomed back Alex Hall, he is a great singer, and also a hit with the ladies! I think it's great when the singers interact with the residents, they seem to connect differently and enjoy the show more. We look forward to seeing Alex again soon x
